StandardsInsight™

common core state standards
unpacked

The **StandardsInsight: common core state standards unpacked** is software that provides:

Professional interpretation of each ELA and Mathematics standard in a dynamic database tool describing ...

- Evidence of student mastery
- Key vocabulary for teacher understanding
- Knowledge expected within the standard
- Skills expected within the standard
- Conceptual understandings expected within the standard

... allows districts to filter, sort, and print, and provides open architecture for local curriculum work.

Two Versions

<p>Integrated CCSS StandardsInsight Tool ECLIPSE Curriculum Manager Option For ECLIPSE Users</p>	<p>“Stand-Alone” StandardsInsight Tool With Sorting and Filtering Throughout all Standards For all users</p>
--	--

Developed by Wisconsin expert teams in Mathematics and English Language Arts, and vetted by expert teams in other states.

The StandardsInsight project is led by CESA 7 School Improvement Staff.
